

Broadview University – BEAU (Salt Lake City): Student Right-to-Know Graduation Rate, Retention Rate, Diversity, Placement Information
Published July 1, 2017

<p align="center">Graduation Rate – Student Right-to-Know</p>	<p align="center">Student Body Diversity & Pell Grant Recipients</p>																						
<p>This is the percentage of students entering the institution as full-time, first-time (no prior postsecondary education), degree/certificate-seeking undergraduate students who entered in the Summer and Fall 2010 academic terms, and who completed their programs within 150 percent of normal time to completion. Disaggregated graduation rate data displayed by gender, race/ethnicity, and financial aid status are based on the same cohort of students. Because many of our students have previous college experience, the number of students measured in this rate is relatively small as compared to the total campus population.</p> <p>The overall Graduation Rate for this campus is 13%, as reported in the 2016 – 2017 IPEDS Graduation Rates Survey. The graduation rates for various subgroups within the 2010 cohort of students appear below:</p> <p>Male: * Female: *</p> <p>Pell Grant Recipients: *</p> <p>Subsidized Stafford Loan Recipients (No Pell Grant): *</p> <p>No Subsidized Stafford Loan/No Pell Grant: n/a</p> <p>American Indian or Alaska Native: n/a</p> <p>Asian: *</p> <p>Black or African American: n/a</p> <p>Hispanic: *</p> <p>Native Hawaiian or Other Pacific Islander: n/a</p> <p>Race and Ethnicity Unknown: n/a</p> <p>Two or More Races: *</p> <p>Non-Resident Alien: n/a</p> <p>White: *</p> <p><i>Note: "n/a" = no members of this racial or ethnic group were represented in the cohort. "*" = graduation rate data suppressed due to less than 10 students being represented in the cohort.</i></p>	<p>The demographic data provided below are based on students enrolled in the Fall 2016 academic term, as reported in the 2016-2017 IPEDS Fall Enrollment Survey. Race/ethnicity identification is reported at the option of the student. The overall percentage of Pell Grant recipients is reported in the 2016-2017 IPEDS Student Financial Aid Survey.</p> <p>Overall Student Body Demographics (Full-Time Students)</p> <table border="0"> <tr> <td>Male</td> <td align="right">74%</td> </tr> <tr> <td>Female</td> <td align="right">26%</td> </tr> <tr> <td>American Indian or Alaska Native</td> <td align="right">1%</td> </tr> <tr> <td>Asian</td> <td align="right">4%</td> </tr> <tr> <td>Black or African American</td> <td align="right">5%</td> </tr> <tr> <td>Hispanic</td> <td align="right">12%</td> </tr> <tr> <td>Native Hawaiian or Other Pacific Islander</td> <td align="right">0%</td> </tr> <tr> <td>Race and Ethnicity Unknown</td> <td align="right">4%</td> </tr> <tr> <td>Two or more races</td> <td align="right">0%</td> </tr> <tr> <td>Non-Resident Alien</td> <td align="right">0%</td> </tr> <tr> <td>White</td> <td align="right">74%</td> </tr> </table> <p>Overall percentage of full-time students receiving Pell Grants: 63%</p>	Male	74%	Female	26%	American Indian or Alaska Native	1%	Asian	4%	Black or African American	5%	Hispanic	12%	Native Hawaiian or Other Pacific Islander	0%	Race and Ethnicity Unknown	4%	Two or more races	0%	Non-Resident Alien	0%	White	74%
